

Macomb County, MI, turned to GovDelivery® Email Subscription Management to further its mission to improve government-to-citizen communication in a cost-effective and efficient manner.

**MACOMB COUNTY'S NEEDS**

1. Leverage its website to communicate with stakeholders regarding important updates and information.
2. Deliver a viable initiative to other jurisdictions in the area to give a common look to all town and city websites in the county.
3. Find an email subscription management system that would work with its website publishing efficiencies.

**SOLUTION**

Macomb County selected GovDelivery, a web-based solution that monitors websites for content updates and automatically generates email alerts when changes are detected on designated webpages.

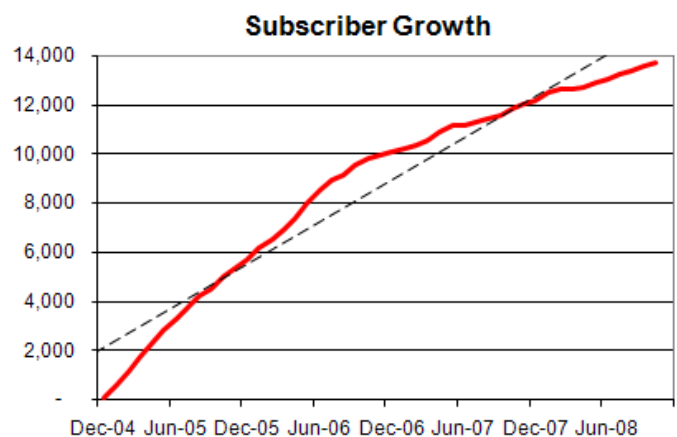

Web visitors click on links located throughout the site to register to receive specific email alerts on more than 320 different topics.

**“This is an excellent investment that improves communication with the community and helps us get information to people faster than ever before.”**

Nancy White  
Macomb County Board of Commissioners Chair
