

## NEWS RELEASE

---

### GovDelivery

IN.gov is currently implementing an e-subscription management service, subscriptions.IN.gov, on IN.gov agency sites. The online service allows Web site visitors to subscribe to e-mail and wireless updates for specific content on agency sites and is free to all state agencies. To learn more about the new service, please visit [GovDelivery's](#)

Subscribe for  
e-mail updates >

[Web site](#) or view the GovDelivery presentation below. Please check this site frequently for a list of implemented agencies and updated schedule.
