

Texas Health and Human Services Commission (HHSC) is fully committed to the principles of open government and strives to provide open and honest communication; HHSC has made it its mission to all its stakeholders informed of its business decisions and operations. GovDelivery® Email and Digital Subscription Management advances the department’s mission by allowing Texas residents to stay informed on issues that affect their health, and that of their family, by signing up for automatic email updates on the topics that matter most to them.

TEXAS HHSC’s NEEDS

1. Utilize email notifications to better communicate urgent health and emergency -related information to state residents.
2. Use the website to deliver information to citizens in a time-efficient manner.
3. Provide website visitors with a single profile that lists all of their email notification choices.

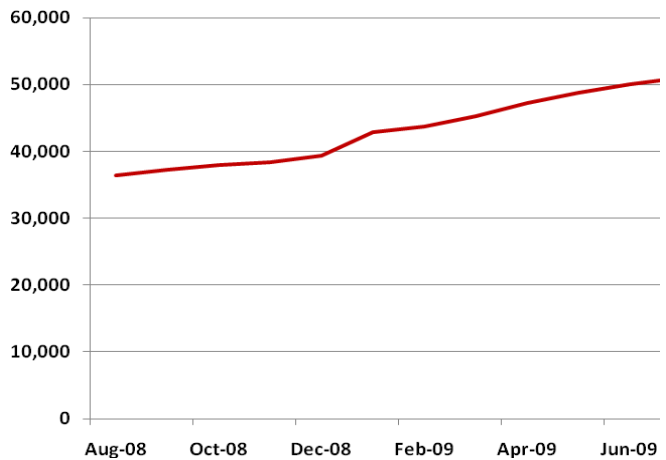

SOLUTION

Texas Health and Human Services Commission selected GovDelivery, a web-based solution that increases government-to-citizen communication by monitoring websites for content updates and sending email proactively to alert subscribers to new information.

Web visitors click on links located throughout the site to register to receive specific email alerts.
